Dear Members of the Public Health Committee:

Enclosed please find a copy of a letter from my 85 year old constituent, Dr. Peter Arturi, regarding Senate Bill 260. Dr. Arturi wrote to me in 2008 requesting this bill that reduces the license renewal fee for retired physicians. Dr. Arturi volunteers much time to the Greenwich Department of Health. I appreciate your consideration of his letter of support.

Sincerely,

L. Scott Frantz

Dear Senator Frantz;

In response to the welcome phone call I received today from your office I had to go back to my file on Senate Bill 462 dated March 2008.

This concerned Public Act 07-82 an act reducing License Renewal Fees for Retired Dentists and Physicians.

I inquired about my being eligible as a retired physician on the Town of Greenwich Board of Health.

After much conversation and written material I was told that the Department of Health in Greenwich did not qualify for Sec 20-126(2) as a "Public Health Facility".

Of course I pretermed that statement then as I do now.

Public Act No. 07-82 Section 3 makes provision for a public health facility.

After all this time I am stepping away from the Board of Health but will remain on with the Department of Health in Greenwich as the Physician of Record.

Good luck with the public hearing.

Respectfully, Pete Arturi
